

Congress of the United States
Washington, DC 20515

March 27, 2026

The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Air Traffic Control Tower: Design project in Fiscal Year 2027. The entity to receive funding for this project is the Greeley-Weld County Airport Authority, located at 600 Airport Rd, Unit A, Greeley, CO 80631.

This funding would be used to complete the engineering and architectural design necessary for the construction of a future Air Traffic Control Tower at Greeley-Weld County Airport (GXY). The Air Traffic Control Tower would improve runway safety, enhance aircraft sequencing and coordination, and support integration with surrounding regional airspace. The project is an appropriate use of taxpayer funds because it will enhance aviation safety and improve air traffic coordination throughout the congested air space in Northern Colorado and throughout the Rocky Mountain region.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gabe Evans
Member of Congress
