The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Brighton Public Safety Training and Regional Preparedness Facility in Fiscal Year 2027. The entity to receive funding for this project is the City of Brighton, located at 500 S 4th Avenue, Brighton, CO 80601.

Funding for this project will support the construction of a regional public safety training facility to expand access for the City of Brighton and other regional jurisdictions to modern, high-quality law enforcement training while strengthening regional public safety collaboration. This project will help ensure that officers serving the community have access to the training resources necessary to meet evolving public safety challenges. This project is a responsible use of taxpayer funds because it will strengthen coordinated emergency response capabilities and better prepare law enforcement personnel to serve the rapidly growing areas of Brighton and Adams County.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gabe Evans
Member of Congress
