The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Dacono's 6th Street and Colorado Roundabout project in Fiscal Year 2027. The entity to receive funding for this project is the City of Dacono, located at 512 Cherry Ave., Dacono, CO 80229.

This funding will establish an essential missing pavement link connecting an existing neighborhood to downtown Dacono through the construction of a roundabout at the intersection of 6th Street and Colorado Blvd. This project will improve public safety by reducing increased traffic and crash risks due to Dacono's growing population. The project is an appropriate use of taxpayer funds because it will improve roadway safety, enhance traffic flow, and provide critical connectivity between residential areas and downtown Dacono.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gabe Evans
Member of Congress
