The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Federal Heights Police Mobile Technology Modernization project in Fiscal Year 2027. The entity to receive funding for this project is the City of Federal Heights, located at 2380 W. 90th Ave., Federal Heights, CO 80260.

The funding would be used to upgrade the police department's mobile technology with modern, docked-but-removable rugged laptops to allow officers to complete reports and documentation in a timely manner. Additionally, this project will provide Detectives and Command Staff with the ability to also work remotely in the field at crime scenes or to manage critical incidents and maximize patrol time and visibility in the community. The project is an appropriate use of taxpayer funds because it will empower the Federal Heights Police Department to improve public safety within the community.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gabe Evans
Member of Congress
