The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Northstar Neighborhood Mobility Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Thornton, located at 9500 Civic Center Drive, Thornton, Colorado 80229.

The funding will make much needed mobility improvements to the Northstar neighborhood of the City of Thornton, bringing the area up to current ADA standards and providing an accessible route for residents to the nearby school, park, train system, and bus station. This project is an appropriate use of taxpayer funds because it addresses current deficiencies in resident mobility and accessibility in a growing area in Adams County, allowing constituents greater ease of travel and opportunities to utilize community resources and businesses.

The project has a federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gabe Evans
Member of Congress
